Eerste Kamer no a vota ayera

Pa cambio riba interes di prestamo di tanto Aruba como Corsou

Ayera mainta na Den Haag, tabata riba agenda pa Eerste Kamer atende y vota riba un mocion relaciona cu e decision di Gobierno Hulandes, pa loke ta e interes cu tanto gobierno di Aruba como esun di Corsou, lo tin cu paga relaciona cu e “coronalening” cual a ser uza pa presiona e dos paisnan aki di Reino Hulandes pa acepta proposicionnan di e gobierno demisionario di Prome Minister Mark Rutte.

Ta trata di un mocion cu a wordo entrega siman pasa pa Eddy Hartog di fraccion di Volt y Fred Crone di GL/PvdA pa atende cu e decision di gobierno Hulandes di primi tanto Aruba y Corsou den un situacion pa saca probecho di loke gobierno di Mark Rutte tabata kier.

Ayera mainta Eerste Kamer mester a atende cu e mocion aki pa asina pasa over na votamento pero Secretario di Estado Marnix van Rij di asuntonan fiscal y departamento di impuesto, a pidi pa wanta un rato cu votacion riba e mocion aki, señalando entre otro un dicho conoci den mundo politico, esta “een broedende kip moet niet worden gestoord.”

Cu esaki sr van Rij a referi na e hcho cu tin negociacionnan tumando luga riba e punto di supervision financiero entre Secretaria di Estado Alexandra van Huffelen y gabinete Wever Croes II di Aruba caminda ta spera cu lo yega na un claridad y entendimento e siman aki riba e punto menciona. Van Rij a muestra y a insisti den Eerste Kamer ayera pa miho

warda riba resultado di e negociacion aki y tambe a muestra cu e situacion ta igual cu e asunto di e crisis relaciona cu e pensionnan di Ennia pa loke ta regarda kico gobierno di Corsou lo bay haci.

Riba e tema aki tambe van Rij a muestra cu tin probabilidad cu dentro di algun siman lo yega na un acuerdo riba e asunto aki y na mes momento a sigura tur miembro di Eerste como Tweede Kamer cu e lo informa tur hende riba resultado di e negociacionnan cu ta tumando luga.

Sinembargo prome cu inicio di e sesion ayera mainta, tanto sr Hartog como Crone a anuncia prome cu mester a bay over na votacion cu nan lo wanta nan mocion te cu luna di December proximo.

Den e mocion aki e dos parlamentarionan a suplica gobierno Hulandes pa busca un forma mas constructivo pa logra un miho maneho financiero dentro di Reino completo, cu no ta limita espacio financiero di paisnan cu ta ricibi e prestamonan aki, tanto pa loke ta nan gasto y entradanan.

Pues e mocion ta pa gobierno recapacita y percura pa un yudansa mas logico caminda hasta e mocion ta señala cu gobierno Hulandes a presenta interesnan hopi halto, pa asina forsa e paisnan aki miembronan di Reino Hulandes, pa acepta cierto concesionnan politico.

ANALISIS

Mike Eman a presenta un acuerdo relaciona cu prestamonan cu Hulanda

Parlamentario y lider di partido AVP, sr Mike Eman, ta sigui cu su bishita na Hulanda, caminda el a reuni cu varios instancia y lidernan politico y social, pa atende diferente punto di vital interes pa pais Aruba.

Un bishita cu sin duda ta dunando un bista diferente di loke tabata e caso te cu awor, principalmente pa loke ta yega na un solucion pa loke ta prestamonan cu Aruba tin cu paga bek y riba cual Hulanda a stipula un interes cu sin duda no ta faborabel pa e pais.

Siman pasa Mike Eman a presenta e nota di AVP cu ta carga e nomber di Sociaal Cultureel Planbureau cu lo mester wordo introduci banda di CAft pa asina crea un balans caminda interes general di pueblo lo no wordo afecta pa cualkier decision cu tin cu wordo introduci pa drecha e situacion financiero di Aruba.

Varios reunion a tuma luga den apenas algun dia di bishita caminda entre otro a reuni ex Prome Minister Biesheuvel, cu e wethouder Cornelissen y tambe a reuni cu Prinses Laurentien kende tambe den pasado tabata di bishita na varios ocasion realizando varios iniciativa y proyectonan.

Banda di esakinan Mike Eman hunto cu consehero Wendrick Cicilia a reunion tambe vice Presidente di Raad van State kende ta Thom de Graaf y entre otro a papia riba aspec-tonan social economico y tambe a presenta e nota di AVP cu ta 'Sociaal Cultureel Planbureau caminda tur reunion a bay den un bon ambiente cu hopi aceptacion di loke a wordo presenta pa Mike Eman.

Kisas e momento mas grandi a bira ayera diamars caminda Parlamentario Eman a reuni cu Prome Minister demisionario y entre otro a atende e topico di prestamonan cu Aruba a haci cu Hulanda, entre otro e 'coronalening' cual a wordo refinancia luna pasa pero caminda debi na un e discusion cu tin entre Hulanda y gobierno di Aruba pa loke ta introduccion di un Rijkswet, Aruba tin cu paga un interes di 6.9%.

Mike Eman a presenta durante di e reunion aki cu Premier Rutte, un alternativa hopi interesante y factibel caminda a haci un solicitud pa yega na un asina yama 'schikkingsovereenkomst' pa loke ta prestamonan di Aruba cu Hulanda.

Fraccion di AVP a sugeri na gobierno Hulandes pa hunto cu Aruba, yega na formacion di un 'fondo di inversion' cu ta un concepto cu tabata exitoso den pasado, esta e Fondo Desaroyo Aruba, FDA, cual tabata bou maneho y supervision di Aruba Investment Bank.

Meta principal di e 'schikkingsovereenkomst' aki pa pago di e debe di Aruba na Hulanda, pa permiti esaki wordo manda pa un fondo special cu lo carga e homber di 'Aruba Investment

Fund, cu lo wordo maneha pa e institucion renombra cu Aruba Investment Bank.

E fondo aki lo wordo sometido na control y supervision di representantenan di tanto gobiernonan di Aruba y Hulanda y cu a nota aki fraccion di AVP ta presenta pa e proximo gobierno nobo di Hulanda, un proposicion nobo cu ta contene un solucion mas suave y constructivo pa pago di prestamonan di Aruba cu Hulanda.

Un proposicion cu a wordo inspira pa e exitoso acuerdo conoci entre Cabo Verde Portugal caminda prestamonan di periodo di corona, a wordo transforma den inversionnan duradero den desaroyo di e islanan di Cabo Verde y cual a wordo firma na luna di Juni di e aña aki cu sin duda ta un alternativa hopi positivo pa e situacion cu tin aworaki entre Aruba y Hulanda.

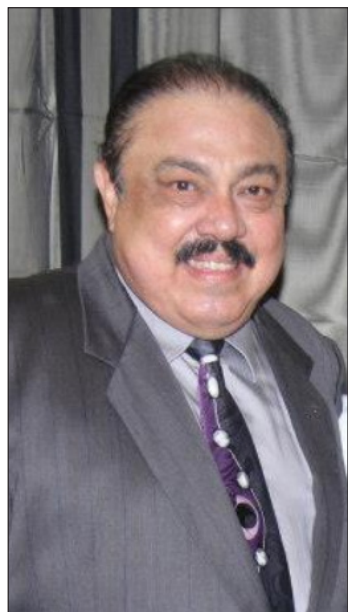

E lider di fraccion di AVP, sin duda durante di su bishita a habri caminda pa atende cu otro posibilidad pa yega na un acuerdo cu ta beneficia sin duda no solamente tin su aspecto financiero positivo pa Aruba pero cu na mes momento lo yuda na crea mas confiansa cu Hulanda, cual confiansa den ultimo añanan a sufri daño serio pa e forma di procede di gobierno actual.

Mike Eman lo sigui cu varios reunion tanto awe y diahuebs pa sigui presenta e proposicionnan cu fraccion di AVP a presenta te cu awor pa despues diabierna e lider di AVP regresa Aruba bek di un biahe cu sin duda a percura pa un ambiente di confiansa y seriedad cu Hulanda.

OPINION PUBLICO

SKIRBI PA TOKO WINKLAAR

Rycond Santos do Nascimento no por biba sin AVP y sin Mike Eman

Pa di tantisimo ocasion, tur hende por ripara cu ainda e 'supuesto' politico cu lo tin un vision pa un politica nobo, ainda no a bandona Cas di Partido di AVP y tampoco e por pone espacio entre su persona y lider di AVP, Mike Eman.

Un cos ta sigur, loke Rycond Santos do

Nascimento ta confirma pa henter pueblo, ta cu a pesar di a bira independiente, a kibra tur laso cu partido AVP caminda el a inicia su carera politico, su rai berde ta hopi profundo y tambe pa falta di tin un organisacion politico grandi rond di dje, e parlamentario aki ta perdi totalmente den e arena politico.

Ya ta casi seis luna cu do Nascimento a dicidi di bira independiente kedando cu e asiento di AVP ya cu el a logra solamente 214 voto den eleccion di 2021 pero ainda ta parce cu e ta bibando

den historia y actividadnan actual di AVP. Unda su politica nobo a keda, ningun hende sa, ya cu e independiente aki tin asina atencion pa tur loke AVP y su lider Mike Eman ta haciendo, cu e lo no tin tempo pa traha riba un vision nobo, pa realmente bira un alternativa politico aki na Aruba. Rycond aparentemente a duna di conoce cu e lo bin c'un partido nobo pero ni esey e ta dunando atencion na e proceso ey, ya cu e ta asina dirigi na vigila con partido AVP ta sigui dilanti sin su persona y sin Gerlien Croes, cu e ta perdiendo tempo valioso pa su futuro como politico.

Awor diripiente Rycond ta bin dilanti y bisa cu "ministerio publico ta bezig ta desenmascara Mike pa hende por cuminsa realisa cu AVP tin tur característica di un organisacion criminal."

Pero aki do Santos mester respeta su mes, ya cu el a forma parti di e supuesto organisacion criminal aki pa varios aña, hasta el a elogia Mike Eman y e organisacion di AVP, como partido bon organisa cu bon vision y hasta el a acepta pa bira Presidente di e Fundacion Digna Herera, caminda el a educa y forma personanan cu kier a bira politico y bira miembro di AVP, e organisacion criminal cu e ta papia di dje.

Rycond a subi lista di e organisacion criminal di AVP supuestamente, den mesun tempo cu Benny Sevinger tabata deteni na KIA y el a participa riba lista di AVP pa eleccion di 2021 cu Benny como candidato number 29 y kende a logra saca su mes cu voto preferencial.

E tipo aki a ricibi solamente 214 voto y a keda casi 1600 voto leu di saca su mes pero e tabatin curashi di bira independiente sin cu e tin sosten di pueblo pa esaki y awe e kier mishi cu integridad di lider di AVP cu tin mas cu 5000 voto den ultimo eleccion.

Mesun cos nos por ripara cu otro candidato di partido AVP cu a declara su mes independiente, esta Gerlien Croes, kende ta organisando cantidad di actividad pa recauda fondo, utilizando practicamente e infraestructura di e partido cu el a bandona, esta AVP, hasta campañando den votadonan di e partido aki cu el a bandona.

Gerlien tambe a papia di un politica nobo pero su atencion ta mas tanto dirigi pa bende BBQ pa haya fondo pa kisas lanta su partido politico pero realmente su persona tampoco, mescos cu Rycond, ta dunando indicacion di kico e politica nobo aki lo bira.

Miho cos cu Rycond por haci ora cu e kier papia di husticia y integridad, ta entrega su asiento bek na partido ya cu bo no tin voto preferencial pa tin e asiento aki!!!

Ecotech Freezone ta reacciona riba comunicado di Stichting Parkietenbos Aruba:

Ecotech Freezone no ta e problema

A invita Stichting Parkietenbos Aruba pero nunca a bin wak nos facilidad

Gerencia di Ecotech Freezone ta sorprendi y ta lamenta cu Sr. Aldrich Croes, como presidente di Stichting Parkietenbos Aruba (SPA), ta emiti un comunicado ayera dia 5 di november 2023, caminda un biaha mas ta ataca directamente tur e trabounan cu e empresa local, Ecotech Freezone, a eherce na bienestar di Pais Aruba.

A invita Stichting Parkietenbos Aruba na varios ocasion pa libremente inspecciona delaster un skina y buraco na Ser'i Teishi pa asina nan mes constata cu no tin nada di holo malo, pero te dia di awe nan a scoge pa no presenta. Ta varios instancia local y internacional, ambos di sector priva y publico, a haya un tour completo di tur locual ta haci na Ser'i Teishi. Varios di e mesun expertonan aki a keda asombra di mira con bon e operacion ta cana y riba dje conforme reglanan Europeo, unda cu nan mes no por a imagina cu na Aruba nos tin un maneho asina profesional y limpi den procesa desperdicio.

Ta bon pa enfatisa cu Ecotech Freezone, regularmente ta paga companianan internacional pa "audit" nan operacion completo, e protocol cu ta efectua den maneho di envirobales, con ta dera nan, etc. Tur e rapportnan aki ta bay bek na Gobierno di Aruba y Serlimar, pa demostra tur esfuerso cu ta haci pa tin un operacion sostenibel, eficiente y bon pa medio ambiente.

Stichting Parkietenbos Aruba a haya un invitacion directamente for di gerencia di Ecotech Freezone pa nan tambe

presencia e trabounan riba Ser'i Teishi dia 6 di october 2022 y ayera atrobe, dia 5 di november 2023. Pero, lamentablemente na ningun di dos ocasion Stichting Parkietenbos Aruba a presenta!

No por keda sin remarca cu e dump na Parkietenbos tin varios reto ainda. Pero, Ecotech Freezone no ta causa di e problema. Ta lamenta pa mira con un fundacion manera Stichting Parkietenbos Aruba ta emiti un comunicado cu acusacionnan y insinuacionnan sin base, dañando e bon nomber di e empresa local, cu tin como meta pa asisti Pais Aruba den e proceso di desperdicio.

ABogado di drs. Paul Croes:

A “overkill” mi cliente cu castigo

Diamars mainta Hof tabata na Aruba, algo cu ta sosode un bes pa luna. Un di e casonan riba e rol di Hof ta esun di expropiacion contra drs. Paul Croes, ex minister Paul Croes durante Gabinete Mike Eman II. E caso ta relaciona cu un suma di placa cu corte a ordena cu e tin cu paga bek. Awo abogado di Croes, mr. Desiree Croes, a trata di yega na un acuerdo cu Ministerio Publico pa haci e pago den cuota. Probablemente pa evita cu e ta perde algun propiedad cu e pareha a traha duro pa logra yega na dje. Sin embargo na final no a acepta nan proposicion.

Despues cu e speranza aki a cay na awa, defensa hunto cu Paul Croes a dicidi pa haci un intento pa demostra cu e relato financiero cu Hof a nenga di tuma, ta contene informacion cu e placa cu nan a gasta, cu OM ta bisa ta di placa tuma pa haci dispensacion den peticion di permiso di trabou, ta legal haya.

Prome mester a bay recorda y busca tur e actividadnan cu a yega di organisa manera benta di Pan de Jamon fin di aña. Headpiece cu nan tabata traha y bende cu participan-tenan pero tambe regalo efectivo cu a haya pa cu nan casamento, durante e fiesta y despues. “Na Hulanda esaki no ta conoci, pero aki na Aruba ora cu un pareha casa mayoria di biaha ta placa cash ta regala nan,” mr. Desiree Croes a splica Presidente y e dos huesnan sinta na mesa. E lista aki no tabata di agrado di procurador general. El a splica Hof cu defensa tabatin for di april pa haci nan peticion y aworaki ta hisa benta un lista di 100 testigo cu nan kier scucha. “No, ami no ta mira cu e ta necesario,” el a bisa.

E motibo cu e no ta mira cu esaki ta necesario ta pasobra tin un sentencia final caba den caso IBiS den cual Paul Croes ta involvi. Tin un suma menciona eyden cu el a apodera di dje di un forma of otro. Corte den su ultimo veredicto, cu ta esun di Hof, ta bisa cu ta papia di un suma di 183 mil florin. Di esaki ta placa cu el a tuma di su fundacion pa su gastonan personal, esta 55 mil florin. Y e resto ta placa cu e lo gana pa duna disposicion di permiso di trabou. Pues labamento di placa.

Pero e abogado a splica cu ta un trabou inmenso mester a haci pa yega na e relato cu a costa placa. Mester a wak tambe kendenan tur ta disponibel ainda y cu ta dispuesto pa duna un declaracion.

E abogado a splica tambe cu ta necesario e testimonian pa motibo cu su cliente a wordo demasiado castigo. Si mira bon el a haya cinco castigo: A cer’e ochenta dia den isolacion; a conden’e na un castigo di prizon di tres aña; ocho aña e no por ocupa un puesto den Gobierno; pa 8 aña e no por participa activamente den politica; e no por ehersce e profesion pa cual el a studia y a impone e boet di 183 mil florin, cu si e no paga mester bay un aña cera. Y incluso e por perde su cas. Esaki ta di mas, defensa a bisa, y ta haya cu scucha e testimonian ta necesario.

E constelacion di Hof lo bay pensa y final di e luna aki lo anuncia nan detencion. Pero tratamiento di e caso mes lo no tuma luga e aña’ki mes sino probablemente den luna di februari of maart.

Por corda ainda cu Croes a bay casacion pa haya un decision unda hof mester trata e caso di nobo. Na luna di februari ultimo, e decision a bira negativo p’e.

El a bay Casacion cu cuatro argumento bisando cu Hof no a studia e 4 puntonan ey debidamente pa cual e ta sinti su mes perhudica. Un di e aspectonan cu el a trece dilanti den prome instancia, den hof y Casacion ta cu e aspecto di e situacion inhumano cu el a pasa aden no a wordo suficiente teni na cuenta. Esta e parti unda cu el a keda rond di 80 dia den isolacion, sin cu e tabatin contacto ni cu su yiunan chikito cu no por perhudica ningun investigacion.

Pero tambe importante pa e defensa di Paul Croes tabata cu esun cu mester a hiba of guia e investigacion aki ta PG pasobra ta trata di un Minister. Ley ta bisa tambe cu e PG por apodera un funcionario di Ministerio Publico pa actua den su nomber y esey a sosode tambe.

Por corda cu defensa ta insisti cu esey no a tuma luga na inicio y despues a produci un documento cu no tabatin firma riba dje, Pero e argumento aki tambe a wordo rechasa pa Casacion.

Abogado General trece dilanti dos carta cu PG a manda pa Landsrecherche y e prome ta bisa: ‘Geachte heer Maduro, Ik verzoek u om het strafrechtelijk onderzoek in de zaak IBIS te doen uitvoeren, en de officier van justitie mr. B.J. Schmitz voor deze zaak te berichten omtrent het verdere verloop daarvan. Hoogachtend, mr. A. van Dam, Procureur-

Generaal.”

E carta aki ta data prome di september, 2016. Ta bisa cu e carta menciona no ta laga duda cu PG a apunta Schmitz pa atende cu e caso aki. AE mesun cos aki ta ripiti den un carta di december, 2016.

E apelacion riba e argumentonan uza pa declar’e culpabel di malversacion, tambe a wordo rechasa. Aki ta papia di un suma di 55 mil florin cu Croes a malversa di e fundacion cu tabata maneho su campaña y cu tabata haya placa di donacion for di entre otro esnan cu a haya permiso di trabou of exoneracion di e decision cu no ta otorga prome permiso mas, e tempo ey, y e asina yama famoso ontheffing.

Tambe tabatin acusacion di soborno. Por corda cu den prome instancia fiscal a pidi un castigo di 5 aña, pero el a haya un condena di 4 aña y cu pa 8 aña e no por traha como funcionario publico, of ocupa un puesto den Gobierno (Parlamentario of Minister). Banda di esey a cuminsa cu un caso di apropiacion di su propiedadnan.

Despues cu el a apela Hof a hay’e culpabel y e tres Huesnan a yega na un castigo di 3 aña y cu durante 8 aña e no por bay den politica of ocupa un puesto den Gobierno.

El a bay Casacion na final di 2021 y awo e decision a yega. Casacion ta na Hulanda y e sesionnan ta wordo atendi pa varios Hues pero no tin presentacion mes den un Corte. Tur cos ta bay por escrito. Y na final e decision tambe ta por escrito.

Casacion no ta dicta un sentencia pero ta simplemente evalua argumentonan presenta cu un di e partidonan ta haya no a bay di e forma corecto. Na final e decision ta si ta rechasa e argumentonan of ta acepta nan.

Si ta rechasa e argumentonan, e decision di Hof ta keda para y si ta acepta e argumentonan, cu ta masha poco biaha sa sosode, e ora ta bisa cu Hof mester destrui e decision anterior y trata e caso di nobo, teniendo cuenta cu e argumentonan señala.

Den e caso di Paul Croes, esaki ta nifica cu e castigo di 3 aña ta keda na su luga. Cu tur e reduccion di e tempo cu el a pasa den detencion preventivo y reduccion di pena, e lo sinta rond di un aña y 9 luna. Esaki por ta menos.

Minister Arends ta subraya e importancia di integridad personal

Y e impacto ariba e sistema colectivo den nos sociedad

Contrario na e pensamiento cu por tin, integridad no ta un virtud solamente reserva pa Gobierno of structuranan administrativo. Integridad ta extende su influencia riba cada hende individualmente, mehorando nan bida y contribuyendo na e nivel di integridad di un sociedad. Minister Arends ta enfatisa cu e forsa di cualkier sociedad ta depende ariba e accionnan di su hendenan.

Un corelacion crucial cu e Minister ta adresa ta e relacion entre integridad y corrupcion. Den discursonan publico, hopi biaha ta papia di corrupcion politico, unda ta reduci e confianza den e aparato gubernamental y politica na Aruba en general. Minister Arends ta boga pa reenforza e medidanan anti-corruptivo na tur nivel pa restaura confianza den Aruba su institutonan.

Un di e ehempel unda mester reenforza medidanan ta e uzo prevalente di contractonan DVO/OVO pa entidadnan di Gobierno pa haci acuerdo pa pagonan regular como compensacion pa servicio y trabou. E contractonan aki, originalmente a wordo diseña pa adkiri servicionan specifico den termino defini. E contractonan aki den transcurso di tempo a bira manera un substitucion di un acuerdo di empleo riba termino cortico y mediano. E diferencia entre un DVO y contract di trabou ta cu DVO no tin elementonan contratual manera trabounan defini, maneho di recursonan, termino di trabou of criterionan pa evaluacion di prestacion.

Debi na ausencia di mecanismo di control y criterionan obhetivo pa evalua contenido, calidad y otro factornan, autoridadnan di Gobierno no por midi efectivamente e prestacion di e proveedo di servicio, pone nan responsabel ni exige cumplimiento. Esaki ta crea un obligacion unilateral for di parti di Gobierno cu ta rekeri asignacion di fondonan publico sin consideracion ariba e calidad di contribucionnan.

Pa sigura e uzo responsabel di fondonan publico, Minister Arends a presenta richtlijnen pa regula y preveni mal uzo di e tipo di contractonan aki. E 'Richtlijnen voor het aangaan van overeenkomsten van opdracht' a wordo aproba den ministerraad desde 4 di november 2022 y ta valido pa tur ministerio. Minister Arends a pone nan ter inzage den Parlamento durante tratamiento di Presupuesto 2023 na November aña pasa.

Ora ta trata di un contracto corruptivo tin dos partido involvi, e dunado di contracto y e tumado di contracto. Pues ta subraya cu defacto integridad ta un responsabilidad tanto colectivo como individual, na unda no tin ley of regulacion, cada persona tin e responsabilidad pa consulta cu su mesun compas moral y dicidi si loke e ta haciendo ta algo corecto, integro of no.

Pa resumi, Ministerio di Integridad ta comprometi pa promove integridad den e aparato gubernamental y su influencia directo riba e sistema colectivo. Pa aborda e relacion entre integridad y corrupcion, Ministerio ta tuma como meta pa mehora e nivel di integridad den nos comunidad y proteha recursonan publico.

TEMANAN NOBO

Jan Peter Balkenende a duna hopi sosten na Mike Eman y Aruba den e añanan cu e tabata Minister President di Hulanda y tambe despues den e realisacion di e vision di Gabinete Mike Eman pa haci Aruba un cede di establecimiento di companianan Hulandes manera TNO, Scheepvaartschool Rotterdam, Port Amsterdam, Rietveld academie y mas. Mr. Mike Eman a presenta na Hulanda un alternativa pa e pagonan cu Aruba lo efectua pa esakinan wordo aloca den un fondo di inversion pa Aruba, cu lo wordo maneha independientemente pa asina inverti den desaroyo positivo di Aruba. Jan Peter Balkenende a remarca cu e pensamiento nan di mr. Mike Eman ta “een nieuw en creatief manier om na te denken over financieel vraagstukken”. Asina e lider di oposicion ta creando conocimiento y empuhando sosten pa e concepto aki den tur cuadranten di decision y influencia na Den Haag. Un Fondo di Inversion asina

lo garantiza inversionnan necesario na Aruba pa hopi aña.

Mr. Mike Eman mes ta mira Jan Peter Balkenende como amigo y inspirando pa e temanan cu Eman ta considera importante. “Tempo cu mi a siña conoce Jan Peter Balkenende inicialmente mi tabata den oposicion y e tabata Prome Minister, pero nos a topa otro riba un vision comparti, nos ideologia social-cristian. Den esaki e rol di comunitarismo, den crea sociedadnan mas uni y solidario ta esencial. E guia ta e bon comun cu nos tur mester enfoca riba dje y basa riba e forsa di stimacion di prohimo, Eman ta accentua.

Balkenende tambe ta mira e ideologia comparti como e base di e amistad duradero cu e tin cu Eman y e ta agrega: “Hij is overall Welkom, men mag Mike Eman wij zien ook dat hij heel veel toeleeft bij politici in Nederland, Hij is zeer actief heeft veel afspraken en het manier waarop hij wordt ontvangen, zegt heel veel over het gezag van Mike Eman”.

Cu un voto en contra:

Parlamento a vota na favor di e fondo nacional contra criminalidad

Dialuna tabatin un reunion publico den parlamento cu un punto di agenda cu a trata e proyecto di reglamento nacional pa loke t'e modificacion di e Fondo Nacional contra criminalidad. Tabatin varios orador durante e mainta aki caminda cu a haci varios pregunta na Rocco Tjon, cu ta na cabes di e ministerio di husticia y asunto social.

E mandatario a comenta e meta principal ta practicamente pa introduci un miho manera pa maneha y administra y controla e uzo di e fondonan cu ta yega den e fondo aki. E meta lo ta tambe cu lo introduci un plan di maneho anual y di e forma ey tambe ta percura en todo caso pa no ad hoc proyecto tuma luga. Na mes momento ta duna e importancia di e comision cu ta bay consisti di profesional

riba e materia.

Un persona cual e minister por apunta mester ta un experto tambe riba e materia aki y di e forma ey ta percura cu tin continuidad den e proyectonan. Na mes momento tambe tin proyecto cu tin un consecuencia pa e presupuesto regular. P'esey ta asina importante cu banda di e advies commissie cu ta conseha riba proyecto, tin tambe un beheerder pa loke ta trata e fondo aki. Di e forma ey ta garantisa cu tur proyecto y tur inversion lo ta integral, ta cuadra den e meerjarenbeleidsplan y na mes momento ta duradero.

E sumanan cu haya di e proyecto aki ta maneha pa Bureau Rampenbestrijding. Ta trata aki di fondo cu por bay den e fonds aki. Pa loke ta e suma exacto, loke tin den e fondo ta 6.7 miyon florin di cual 3.1 ta obligatorio caba. Pa loke ta e proyectonan financia pa e fondo aki, ta e diferente fasenan di e cameraproject. Parlamentario Marco Berlis (MEP):

Mr. Piet Hein Donner: Sociaal Cultureel Planbureau di Mike Eman ta irealistico

Otro idea mas di Mike Eman pa crea megadebe 2.0!

Recientemente Mike Eman a sali bay rumbo pa Hulanda despues di hopi aña pa bay trata na score politicamente como un politico di Aruba. Pretendiendo cu e tin e solucion pa tur cos, Mike Eman ta lubida cu e la maneha pais Aruba y hiba nos tur na bancarota. E show di campaña pa resucita un partido kibra y golpia pa celebra corrupcion, maltrata y ofende candidatonan niun hende hamas ta bay lubida. Mike Eman su legado lo siña e futuro generacion cu mientras e tabata lider di AVP den oposicion, e la causa e exodo di 3 candidato, di cual dos Parlamentario cu tabata gosa di un number halto riba su lista politico.

Bishita na mr. Piet Hein Donner na Hulanda

Den su afan pa trata na impresiona pueblo Arubiano, Mike Eman a traha un lista di reunionnan cu figuranan di influencia na Hulanda. Sinembargo esaki no a Sali'e bon manera cu e la pensa! Despues di e prome bishita caba nos por a wak mr. Piet Hein Donner, minister di Estado pa Hulanda y hurista celebra, a expresa su opinion riba e idea di Mike Eman pa bin cu un Sociaal Cultureel Planbureau (SPC) aki na Aruba.

Sr. Donner a bisa lo siguiente den un video: "E idea ta bon, pero e mester sa con pa aplica esaki pa un isla asina chikito manera Aruba, pasobra e gastonan pa un isla, pa un instituto manera SCP, ta demasiado halto. Bo mester di masha hopi expertonan pa SCP cu ta miho pa wak con pa combina otro institutonan pa purba haci e trabao". Den otro palabra sr.Donnors a bisa Mike Eman cu su plan ta ireal-

istico. Pero Mike Eman ta conoci pa derocha placa, redobla debe y pusha e debe pa otro gobiernonan paga despues. Na final ta pueblo tin di pag'e toch, manera e mes a grita y a declara den Parlamento di Aruba.

Coriendo campaña pa drecha imagen kibra di AVP

E prome bishita di Mike Eman na sr. Donner, minister di Estado pa Hulanda, tabata e definicion di henter Mike su biahe: "irealistico y mucho caro." Nada straño si, pasobra ta di Mike Eman bo ta papiando. E mesun Mike Eman cu ta gritando cu mester baha gasto awor ta buscando manera di aumenta e gasto di pais Aruba si e drenta gobierno! Asina mes Mike den su desesperacion ta sigui core rond Hulanda pa saca

potretnan cu politiconan Hlandes cu no por tum'e mas na serio.

Asina Mike Eman ta traha bunita storia riba website di AVP pa trata na convence pueblo cu e tin un solucion. Promoviendo SCP y un bon comun basa riba promesanan irealistico, cu gastonan impagabel ta e solucion di su Bon Comun? No pueblo, loke Mike Eman tin ta otro idea cu ta bay costa pueblo un megadebe 2.0 sin cu e tin un solucion concreto. Mike Eman no ta gusta rekensom, no ta gusta traha cu data pero si cu debe. Debe di klinker, asphalt y fiestanan cu a hipoteca nos pais y cu awo nos ta pagando Afl. 96.5 miyon pa aña na PPP so, Afl. 150 miyon extra na interes di megadebe sin paga e debe mes!

Cambio climatico y inversion dje polo magnetico

Den e ultimo temponan, e debatenan riba e futuro di Tera a trece cierto confusion, ya cu tin biaha dos fenomeno diferente ta crusa den otro, cambio climatico y e inversion di e polonan magnetico. Ta crucial distingui entre e conceptonan aki y comprende nan envolvimento individual.

Cambio climatico: Cambio climatico ta un tema cu ta domina e titularnan mundial. Ta referi n'e cambionan a largo plaso den e patronchinan meteorologico promedio di Tera y ta impulsando principalmente p'e actividadnan humano. E emision di gas di Greenhouse Effect, manera koolddioxide, p'e actividadnan manera kimamento di combustibel fossiel, ta contribui n'e Greenhouse Effect, reteniendo calor den atmosfera. Esaki ta provoca un aumento di e temperatura global, causando fenomeno meteorologico mas frecuente y grave, e subida di nivel di lama y alteracion ecologico. E consenso entre e cientificonan ta cu e cambio climatico ta un preocupacion real y urgente cu ta rekeri medida pa mitiga su efectonan.

Cambio polar: Di un otro banda, un cambio polar, tambe conoci como inversion geomagnetico, ta un proceso gradual y natural caminda cu e polonan magnetico di Tera ta inverti lentamente di na posicion. E campo magnetico di Tera no ta statisch y e inversionnan di e polonan magnetico a produci hopi biaha a lo largo di e historia geologico. Sinembargo ta esencial tene na cuenta cu e cambionan aki ta tarda miles di aña pa completa. No tin efecto inmediato of directo riba e clima of e patronchinan meteorologico.

E confusion entre e dos fenomenonan aki ta surgi hopi biaha di e nocion comparti di e cambio den e sistemanan di Tera. Mientras cu e cambio climatico ta un preocupacion contemporaneo influencia p'e actividadnan humano, e cambionan polar ta forma parti di e historia geologico di Tera. Nan no ta relaciona cu e cambio climatico y ta produci a lo largo di e escalanan di tempo geologico.

E cambio climatico ta un problema mundial urgente cu un consenso cientifico cu ta sostiene su conexcion cu e actividadnan humano. E inversionnan di e polonan magnetico, aunke fascinante, ta proceso geologico natural, cu ta produci a lolargo di e milenionan. Pa confronta e retonan di e cambio climatico, ta esencial enfoca riba e accionnan necesario pa reduci e emisionnan di gas di greenhouse effect y adapta n'e clima cambiante.

Pescado y papas fritas

Este plato clásico británico es perfecto para una tarde de verano. El pescado rebozado en cerveza y frito a la temperatura adecuada, te garantizará un exterior ultra crujiente y ligero, con un interior tierno y hojaldrado. La única forma de mejorar este plato es servirlo con una salsa Rémoulade casera sin huevo y guisantes blandos de textura rústica.

Receta

TIEMPO PREVIO: 20 minutos
HORA DE COCINAR: 30 minutos
TIEMPO TOTAL: 50 minutos
2 SERVICIO

Ingredientes:

1 taza de harina para todo uso
1/2 taza de harina de arroz
1/4 cucharadita Polvo de pimienta de cayena
1/4 cucharadita Pimienta negra
4 pizcas Sal 【Rebozado】
1 taza de cerveza
1 huevo mediano

1 taza de aceite de canola
1/2 taza de leche
1 1/4 cucharadita. Vinagre blanco
2 pizcas Sal
1 cucharadita Estragón
1 ramita de cebollino
1 cucharadita Perejil
1 cucharadita alcaparras
1 cucharadita Polvo de pimentón
1 cucharadita Mostaza de Dijon
1 cucharada pepinillos
1 papa grande
2 lonchas de filetes de bacalao

Condimento De Bacalao

3 pizcas Sal
1/2 cucharadita Pimienta negra
1 pizca de Sal Marina
【Después de la 1ª fritura de Bacalao】
2 pizcas de Sal
【Chips antes de la 1ª fritura】
1 pizca de sal
1 cucharada Aceite de cocina
【Para guisantes】
1/2 taza de guisantes verdes 380F
1 cucharada chalotes
1 diente de ajo mediano
2 pizcas Sal
1 cucharada Manteca

Direcciones:

1 - Primero, creemos la masa para nuestro pescado, agreguemos la harina para todo uso y la harina de arroz en un bol y mezclemos bien. Agregue la pimienta de cayena, la pimienta negra y la sal, mezcle bien. Vierte la cerveza poco a poco mientras revuelves. Rompe un huevo en un tazón pequeño, bátilo ligeramente, agrégalo a la mezcla, mezcla bien y luego enfría la masa en el refrigerador durante al menos 30 minutos. (Es mejor dejar la masa en el frigorífico toda la noche)

2 - Hagamos una salsa Rémoulade sin huevo, vierta el aceite de canola, la leche y el vinagre blanco en un bol, sazone con sal (2 pizcas) y licue hasta que la mezcla

espese. Agrega el estragón, el cebollino, el perejil, las alcaparras picadas, el pimentón, la mostaza dijon, los pepinillos, mezcla bien y deja enfriar la salsa en el frigorífico.

3 - Ahora, sobre las patatas fritas: pela la patata y córtala uniformemente. Llevar el aceite a 300°F / 150°C, blanquear las patatas fritas durante 3 minutos, sacarlas y dejarlas reposar sobre una toalla de papel.

4 - Seque los filetes de bacalao y condimente ligeramente con sal y pimienta negra. Lleve el aceite a 300°F / 150°C. Pasar los filetes

por harina y cubrirlos con la masa, sacar los filetes y dejar escurrir el exceso de masa, colocarlos lentamente en el aceite, mantener la temperatura del aceite alrededor de 300°F / 150°C, freír los filetes durante Aproximadamente de 6 a 8 minutos (si usa una freidora, los filetes subirán a la superficie cuando estén listos), coloque el pescado sobre una toalla de papel y sal ligeramente inmediatamente para evitar que se empape demasiado rápido.

5 - Sazone las patatas chips blanqueadas con sal, lleve el aceite a 193°C / 380°F y vuelva a colocar las patatas, fríalas hasta que se doren o suban a la superficie, sáquelas y colóquelas sobre una toalla de papel.

6 - Vierta aproximadamente

una cucharada de aceite en una cacerola, ponga el fuego a medio alto y vierta una taza de guisantes, cocine hasta que los guisantes estén suaves, agregue una nuez de mantequilla y mezcle, agregue 1 chalota finamente picada y 1 ajo finamente picado. clavo, cocinar 2 minutos más, triturar los guisantes con un machacador (No los trituremos demasiado porque todavía queremos algo de textura).

7 - Para servir, coloque las papas fritas en el plato, luego agregue pescado frito encima de las papas fritas, agregue la Rémoulade a un lado, espolvoree un poco de cebollino encima, agregue guisantes blandos a un lado, sirva con una rodaja de limón, ¡disfrútelo!

Fortaleza pa Famia

Hende cu tin fe ta florece den tempo dificil

DIOS no a duna nos un Spirito di miedo, tampoco nos mester ta hende cobarde, pasobra mas grandi ta esun cu ta den nos cu esun cu ta den mundo.

Den e situacion cu mundo ta awor aki, si bo ta scucha noticia, y mira con maldad ta avansa y cuminsa preocupa cu cosnan cu bo no por cambia, bo ta cay atras, pasobra bo ta kita bo bista for di riba Dios.

Corda bon con Pedro a cuminsa cana riba awa bay cerca Hesus, pero asina cu Pedro a pone bista riba e laman cu tabata bruto, y kita su bista for di riba Hesus, Pedro a cuminsa sink.

Esey ta pa siña nos cu con cu e tempo cambia y kico cu nos tende, nos bista mester keda riba Cristo Hesus, pasobra manera e Palabra di Dios ta bisa den Juan 15:4: Keda den Mi y Ami den boso. Mescos cu e rama no por carga fruta di su mes, si e no keda den e mata di wijndruif, asina boso tampoco, si boso no keda den Mi.

Nos tin di prepara pa nos ta firme, den e tempo aki y den e tempo binidero, pasobra esun cu ta wordo movi for di su proposito y cu ta bula manera chinchirinchí aki pa aya, ta keda manera un hende sin reis, y sin fundeshi, sin estabilidad spiritual den su bida.

Un hende no por core tras di tur cos cu e ta tende, y pensa cu asina e ta sirbi Dios, pasobra diabel tambe ta haci zonido bunita, pa asina atrae hende den e caminda di scuridat,

Daniel a para firme, aunke e situacion tabata dificil, aunke e tabata sa cu cueba di Leon tabata sper'e, e no a preocupa, pero den tempo dificil a sigui sirbi Dios, y Dios a sostene Daniel.

E sosten di Dios t'ey constante, pa esnan cu ta reconoce Dios riba tur cos, y ta sirbi Dios cu un curason boluntario, pasobra hende no por sirbi Dios, con cu ta, Dios mester ta na prome luga den nos bida y nos curason.

Apostol Pablo a bisa: No cu mi a alcanza esaki caba, of cu mi a bira perfecto caba, ma mi ta haci mi esfuerso pa mi por gara e loke pa cual mi tambe a wordo gara door di Cristo Hesus. Rumannan mi no ta pretende cu mi mes a gar'e caba: Ma un cos mi ta haci: Lubidando loke ta keda

atras y aspirando na loke ta dilanti, mi ta haci tur esfuerso pa alcanza e meta, pa haya e premio di e yamada celestial di Dios den Cristo Hesus (Filipensenan 3:12-13-14).

Diabel ta uza tur tipo di distraicion posibel, pa purba desvia yiunan di Dios for di e caminda di Dios, p'esey nos mester persevera den Oracion y Palabra di Dios tur dia y asina mantene nos bista riba Cristo Hesus e salvado di nos alma.

Ta imposibel cana den dos caminda, y come di dos mesa, pasobra Dios kier pa nos ta fiel, pasobra Dios ta fiel y na tur momento E t'ey pa nos, Dios a priminti cu nunca E lo bandona nos.

Ta tempo pa nos madura den Señor y comporta nos mes manera hende grandi, pasobra e palabra ta bisa: Tempo mi tabata mucha, mi tabata papia manera mucha, pensa manera mucha, rasona manera mucha, ma awor cu mi a bira homber, mi a pone cos di mucha un banda (1 Corintionan 13:11).

No ta tempo pa haci wega, pasobra dianan ta trabahoso, tempo ta dificil, laga nos sirbi Dios, tur momento.

Sinceramente, Pastor Marcel Balootje

The Lord is my shepherd; I shall not want.
He maketh me to lie down in green pastures: he leadeth me beside the still waters.
He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake.
Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.
Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over.
Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord for ever.
Psalms 23:1-6

Ecotech Freezone responds to Stichting Parkietenbos Aruba's statement:

Ecotech Freezone is not the problem

THE management of Ecotech Freezone is surprised and regrets that Mr. Aldrich Croes, as the president of Stichting Parkietenbos Aruba (SPA), issued a statement on November 5, 2023, where once again, they directly attack all the work that the local company, Ecotech Freezone, has been doing for the well-being of the country of Aruba.

Stichting Parkietenbos Aruba has been invited on multiple occasions to freely inspect the entire site at Ser'i Teishi to confirm for themselves that there is nothing wrong, but until today, they have chosen not to take us up on that invitation. Various local and international organizations, both from the private and public sectors, have been given a comprehensive tour of everything that takes place at Ser'i Teishi. Several of these very experts have been amazed at how well the operation is running, and how it complies with European regulations. This is something they themselves couldn't have imagined - that here in Aruba, we have such a professional and environmentally-friendly waste management process. It's important to emphasize that Ecotech Freezone regu-

larly pays international companies to audit their entire operation, the environmental protocols they follow, and so on. All these reports are submitted to the Aruban Government and Serlimar, demonstrating the efforts made to maintain a sustainable, efficient, and environmentally-friendly operation.

Stichting Parkietenbos Aruba received a direct invitation from the management of Ecotech Freezone to witness the operations at Ser'i Teishi on October 6, 2022, and again, yesterday on November 5, 2023. Unfortunately, on both occasions, Stichting Parkietenbos Aruba did not attend!

It should be noted that the dump at Parkietenbos still faces several challenges. However, Ecotech Freezone is not the cause of the problem. It's regrettable to see how a foundation like Stichting Parkietenbos Aruba issues statements with baseless accusations and insinuations, damaging the reputation of a local company whose goal is to assist the country of Aruba in the waste management process.

Wind Creek Aruba celebrates 21 graduates from their “GED® Certification Program”

WIND Creek Aruba, the preferred employer in Aruba, launched a program for their employees, the “GED® Certification Program,” last April. Aimed at providing their employees with the opportunity to grow and develop themselves, Wind Creek Aruba initiated this program, allowing employees to participate on-site, during work hours, while maintaining their salaries and covering all program expenses for each employee.

As Wind Creek Aruba is a purpose-driven company with a core principle of making everyone feel a sense of belonging and importance, they recognize the value of investing in their team members, enabling them to continue growing personally and professionally. Making this possible has a positive impact on our community and country. To achieve this, they began a collaboration with the “International School of Aruba,” and today, they proudly announce that Wind Creek Aruba has 21 graduates for the year 2023.

Unfortunately, not everyone can obtain a diploma for various reasons. These graduates are now contributing to our country and serving our loyal tourists. Therefore, Wind Creek Aruba commits itself as a responsible company and actively invests in the development of its team members. “We ensure that there are different opportunities for our team members to progress, such as training in service excellence, English and Spanish courses, and more.

We are fortunate to be a part of this organization,” expressed Mr. Paul Gielen, General Manager of Renaissance Wind Creek Aruba Resort. “We deeply believe in this program,

and together we celebrate these 21 graduates.” As the first company in Aruba to initiate this program, they started with 31 team members who passed the admission exam. All of these team members live by the company’s key values of “Do it Right, Be the Best, Have Fun.”

On Monday evening, all graduates, along with their guests, celebrated this unforgettable moment and received their diplomas from Mr. Dennis Willeford, Head of ISA, and Mr. Paul Gielen, General Manager of Renaissance Wind Creek Aruba Resort. Mrs. Tisa LaSorte, President and CEO of AHATA, was also present, and each graduate was accompanied by their manager and executive. The evening of great achievement and celebration was filled with joy and praise for the graduates who earned their diplomas while balancing their studies with their regular work.

Something remarkable is that the oldest graduate is 56 years old, and the youngest is 21. A mother and her son both achieved their GED diplomas at the same time. It was beautiful to see how the group connected with each other, working in different departments, such as Wind Creek Crystal and Wind Creek Seaport Casino, Engineering, Starbucks, Aquarius Restaurant, Accounting, Renaissance Island, Renaissance Convention Center, and Front Office.

Wind Creek Aruba has already announced that their Human Resources team is planning the next GED program for the year 2024. They are working in close cooperation with the International School of Aruba to continue offering their team members a high-level education.

Tyson Foods Recalls 30,000 Pounds of Chicken Nuggets Due to Metal Piece

This incident isn't the first time Tyson Foods has been involved in a recall. In the past, they have recalled products, including ground beef and chicken nuggets, due to concerns over foreign objects and contamination. In 2022, Tyson faced plant closures due to changes in consumer demand. However, with the price of beef and pork surging, more consumers have turned to chicken, potentially boosting food companies' profits. Tyson is set to report its latest quarterly earnings on November 13, 2023.

Dutch Companies Navigate Sanctions:

Exporting to Russia via Turkey Surges

DUTCH businesses are finding ways to bypass European sanctions on Russia related to the Ukraine conflict by rerouting their products through Turkey. In response to these sanctions, Dutch exports to Russia have plummeted, while exports to Turkey have surged. In the second quarter

of this year, Statistics Netherlands (CBS) revealed that Dutch sanctioned goods worth 869 million euros found their way to Turkey - a staggering 91 percent increase from two years prior.

The sanctions imposed by the EU, due to Russia's invasion of Ukraine, restrict exports of goods such as microchips, transportation equipment, machinery, and drones from EU nations to Russia. Consequently, Dutch exports to Russia dropped by 63 percent to 285 million euros in the second quarter of 2023, compared to two years earlier. Conversely, exports of Dutch products to Turkey and the Eurasian Economic Union Countries (EEU+),

comprising Kazakhstan, Belarus, Armenia, Kyrgyzstan, and Uzbekistan, experienced significant growth, with increases of 42 and 75 percent, respectively.

Even goods like office machines and vehicles, which fall under the sanctions list, are being rerouted to Turkey. This clever circumvention has seen Turkey's share of Dutch office machine exports surge from 3.5 percent to 10 percent, valued at 15 million euros. The same trend applies to trucks and buses, with exports to Turkey and EEU+ countries witnessing a substantial uptick while exports to Russia grind to a halt."

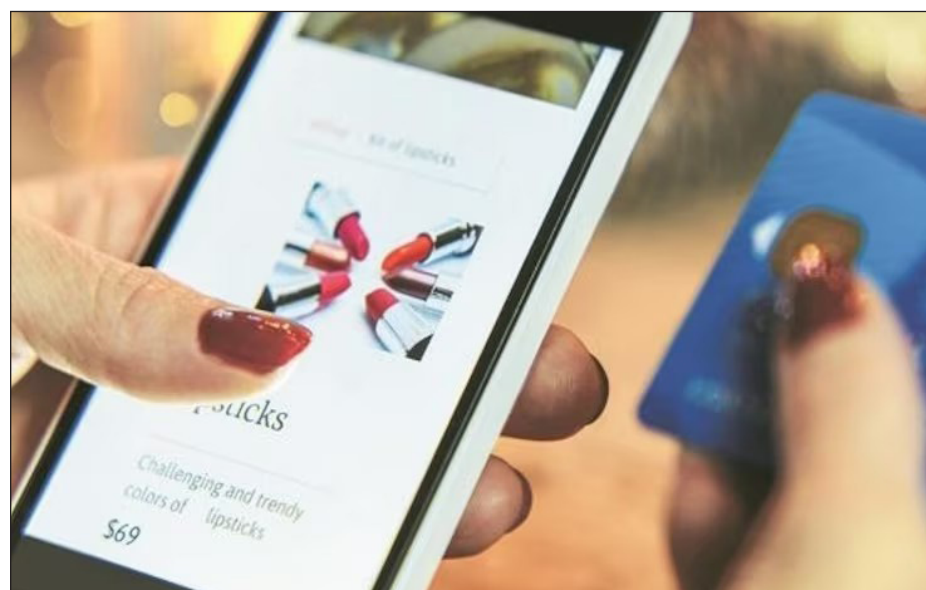

Consumers Warned About Fraudulent Webshops Ahead of Holiday Season

AS the holiday season approaches, Dutch consumer organizations have issued warnings to residents regarding the proliferation of fraudulent online stores. A campaign titled 'First check reviews, then order' aims to reduce the number of potential victims.

The police's National Internet Fraud Reporting Center (LMIO) anticipates over 40,000 reports of purchase and sales fraud in the country this year. A significant portion, approximately 14,000 cases, involve online stores that fail to deliver after receiving payment, a figure expected to surge with Black Friday, Sinterklaas, and Christmas looming.

To tackle this issue, the police intend to shut down around 1,000 rogue online shops this year, marking a 30% increase from 2022. The average loss experienced by victims of online shopping fraud has risen by over 20%, amounting to 350 euros.

Collaborating with the police, the Netherlands Authority for Consumers and Markets (ACM), the Consumers' Association (Consumentenbond), and the European Consumer Center (ECC) have initiated an information campaign to protect

consumers from fraudulent online stores.

Eva Calvelo Muino, director of the ECC, emphasized the importance of checking reviews to ensure online stores' legitimacy. She recommended searching for reviews associated with the webshop's URL and examining experiences shared on multiple review sites.

By conducting a simple review check, consumers can evade the hassles associated with undelivered purchases or unexpected return costs."

- Doolittle suggests the St. Louis Cardinals as a landing spot for Snell, emphasizing his power pitching and high strikeout rate.
- Olney also goes with the Cardinals, as they are in need of starting pitching and are willing to invest.

- Schoenfield predicts the Los Angeles Dodgers, given their familiarity with Snell and their need for starters.

Jordan Montgomery, SP (30):

- Doolittle believes Montgomery will remain with the Texas Rangers, as he fits well with the team and could be part of a championship-winning rotation.
- Olney agrees with the Rangers' choice, given the owner's willingness to invest in building a winning team.
- Passan goes with the Boston Red Sox, who want to win now and need to strengthen their rotation.
- Schoenfield suggests the Cincinnati Reds, as they could use a veteran like Montgomery to stabilize their rotation.

PGA Tour Surprises by Allowing Players to Compete in LIV Golf Event

AN unexpected turn of events, the PGA Tour has decided to permit its players to participate in an upcoming LIV Golf event. Previously, PGA Tour players faced a one-year suspension if they took part in LIV Golf events, which were considered “unauthorized” by the Tour.

The LIV Golf Promotions event, scheduled for next month, is set to award its top three finishers with spots in the

48-player LIV tour for the following year. In a statement, the PGA Tour clarified that the Promotions event is classified as a “qualifying event only” and not part of an “unauthorized series,” which means players won’t face suspensions for participating.

However, this change seems limited to the Promotion event, and it remains unclear whether this signals a broader shift in the PGA Tour’s stance on “unauthorized tournaments.” PGA Tour Commissioner Jay Monahan’s recent association with Yasir Al-Rumayyan, the governor of the Saudi Arabia Public Investment Fund, which supports LIV Golf, suggests a potential shift in the relationship between the two entities.

The LIV Golf Promotions event will take place in Abu Dhabi from December 8 to 10, featuring 72 holes and a \$1.5 million purse. The decision to allow PGA Tour players to compete in this event adds intrigue to the golfing world, as players now have the option to participate without facing sanctions. It remains to be seen which players will seize this opportunity and what impact this might have on the golfing landscape.

Hamilton Shows Resilience Despite Tough Brazilian GP

AN emotional display of sportsmanship, Lewis Hamilton expressed his gratitude towards the Mercedes team following a challenging Brazilian Grand Prix at Interlagos. Despite finishing in a disappointing 8th place, the seven-time world champion acknowledged the team’s relentless efforts.

Hamilton’s weekend in Brazil was far from ideal, as he encountered difficulties early on. During the sprint race, he found himself behind Charles Leclerc and Yuki Tsunoda, eventually finishing behind them. The Grand Prix on Sunday didn’t bring much improvement, with Hamilton struggling to secure a higher position.

After the red flag restart, Hamilton briefly held 3rd place. However, it quickly became apparent that competitors such as Aston Martin, Ferrari, and Alpine had superior performance at Interlagos. Even his teammate, George Russell, had a challenging afternoon, retiring due to an engine cooling issue.

Reflecting on the unpredictability of his car’s performance, Hamilton mentioned, “One thing the car is really unpredictable. In a sense of one weekend it feels good, one session it feels good, and then not. I’m sure we will go and look at things and find things we should have done differently, but with the one [practice] session, it’s difficult.”

Despite the difficulties, Hamilton displayed his appreciation for the Mercedes team’s dedication and hard work, saying, “I’m still proud of the team; they still came here and did their work.

They hold their head up high, and that’s what we have to continue to do. Just keep pushing forward. Two more races with this thing. Hopefully no more driving it.”

Hamilton’s commitment and respect for his team members shone through as he navigated a challenging weekend with grace and professionalism. Motorsport enthusiasts look forward to the next races in the season, hoping for a resurgence from the Mercedes team.

Climate Change and Magnetic Pole Reversal

DISCUSSIONS about the Earth's future have led to some confusion, as two distinct phenomena, climate change and magnetic pole reversal, are sometimes intertwined. It's crucial to distinguish between these concepts and understand their individual implications.

Climate Change: Climate change is a topic that dominates global headlines. It refers to the long-term shifts in Earth's average weather patterns and is primarily driven by human activities. The emission of greenhouse gases, such as carbon dioxide, from activities like burning fossil fuels contributes to the greenhouse effect, trapping heat in the atmosphere. This leads to rising global temperatures, causing more frequent and severe weather events, rising sea levels, and ecological disruptions. The consensus among scientists is that climate change is a real and pressing concern that requires urgent action to mitigate its impacts.

Polar Shift: On the other hand, a polar shift, also known as geomagnetic reversal, is a gradual and natural process where the Earth's magnetic poles slowly reverse positions.

Earth's magnetic field is not static, and magnetic pole reversals have occurred many times over geological history. However, it's essential to note that these shifts take thousands of years to complete. They do not have immediate or direct effects on climate or weather patterns.

The confusion between these two phenomena often arises from the shared notion of change in Earth's systems. While climate change is a contemporary concern influenced by human activities, polar shifts are part of Earth's geological history. They are unrelated to climate change and occur over geological timescales.

Climate change is a pressing global issue with a scientific consensus supporting its connection to human activities. Magnetic pole reversals, although fascinating, are natural geological processes occurring over millennia.

To address the challenges of climate change, it's essential to focus on the actions needed to reduce greenhouse gas emissions and adapt to the changing climate.

The Gender Tenure Gap: Female CEOs Face Shorter Terms Due to 'Glass Cliff' Roles

THE gender tenure gap among Chief Executive Officers (CEOs) of publicly listed companies has come into the spotlight as new research suggests that women hold these positions for shorter durations than men. The findings raise questions about whether female leaders are disproportionately assigned to “glass cliff” roles, where they face higher odds of failure. A thorough analysis of companies listed on 12 stock exchanges globally, including the UK’s FTSE 100 and FTSE 250, reveals that since 2018, women CEOs have an average tenure of 5.2 years, compared to 8.1 years for their male counterparts.

Exploring the Gender Tenure Gap

The study underscores that the gender tenure gap is partially attributed to male CEOs who have served for decades, with some having held the position for as long as 39 years. However, it also prompts us to consider whether this data supports the concept of the “glass cliff,” where women are appointed to leadership roles during organizational crises, making their positions more precarious.

Shedding Light on the Glass Cliff

The glass cliff theory suggests that women are more likely to be appointed as leaders when organizations are struggling, placing them in more challenging situations than their male counterparts. The theory is substantiated by research

conducted by Professor Michelle Ryan and Professor Alexander Haslam of the University of Exeter in 2005, indicating that women were more likely to join boards after a company’s share price had declined. The Stressful Path of Female CEOs

Professor Ryan, who is now the director of the Global Institute for Women’s Leadership at the Australian National University, asserts that the research by Russell Reynolds contributes robustly to this field. She points out that women taking on leadership roles in times of crisis often face higher scrutiny and shorter tenures. Multiple factors could contribute to this, including increased turnover in crisis situations, biased judgments, and a return of male leaders when the company’s fortunes improve.

Ongoing Progress and Optimism

The “glass cliff” phenomenon is not universal, and further research has found evidence in different areas. Nevertheless, the study highlights that women continue to face a challenge in securing long-lasting CEO roles. Progress in increasing women’s representation on boards has been made, reaching 41% in the FTSE 350, and women CEOs have proved equally effective as leaders. The key now is to address the gender tenure gap, promote sustainable leadership roles for women, and ensure their continued success in the corporate world.

THE JUDAS EFFECT: A STUDY ON THE INFLUENCE OF JUDAS ISCARIOT

The Judas Effect

JUDAS Iscariot, a name that reverberates through history, is predominantly known for his infamous betrayal of Jesus. Yet, delving into the intricacies of his character and the influence he wielded offers a deeper understanding of this enigmatic figure. Scholars have pondered his motives, from disillusionment with the type of Messiah Jesus represented to financial gain. Judas's actions, culminating in that treacherous kiss, remain a subject of fascination and scrutiny.

Surprisingly, the Bible paints a picture of Judas that suggests he wasn't markedly different from the other disciples. He displayed devotion to Jesus, was entrusted with the group's money bag, and preached the good news alongside his fellow disciples. From the Bible's perspective, there were no significant warning signs or character traits that set him apart. He seemed to be just one of the guys, blending in seamlessly with the motley crew of disciples.

The name "Judas Iscariot" refers to his origin in Kerioth, a village in the southern region of Judea. While there may have been minor cultural differences between him and the disciples from Galilee, the Bible doesn't dwell on these distinctions. Judas appeared trustworthy, responsible for the money bag, and even engaged in preaching, which likely subjected him to the same persecution as his peers.

But why is there so little written about Judas before the fateful act of betrayal? The answer might be surprisingly simple: there was nothing extraordinary about him. He seemed to fit seamlessly into the disciples' circle, sharing their responsibilities and experiences. However, beneath the façade of a devoted disciple, Judas wore a mask that concealed his true intentions, revealing the capacity for deception within even those who seem ordinary.

The influence of the "Judas Effect" becomes apparent in a remarkable event when Mary anointed Jesus at Bethany. Initially, only some disciples began thinking about the perceived waste, but it was Judas who verbalized a practical question: "Why was this ointment not sold for three hundred denarii and given to the poor?" This simple suggestion initiated a chain reaction.

Disciples who had been only thinking soon began speaking, and ultimately, all were influenced to the point of scolding Mary for her act of worship. Judas's influence on the disciples' perceptions demonstrates the profound impact one individual, even an unbeliever in a group of believers, can exert.

In today's context, the "Judas Effect" may manifest as suggestions, thoughts, or influences that lead believers to question their faith or prioritize other aspects of life over their devotion to Christ. It could be a subtle shift in focus from worship to personal interests, the idea that other ministries are more important than worship, or even unwarranted criticism within the Christian community.

Reflecting on the "Judas Effect," we must consider whether we have been influenced in similar ways. Have we allowed external influences to sway our priorities and commitment to Christ? Alternatively, are we inadvertently contributing to this effect by promoting self-interest, negative attitudes, or pride within our faith communities? Recognizing the presence of such influence, we can make a conscious effort to maintain unwavering devotion to our faith and worship, ensuring that we are not influenced to stray from our spiritual path.

Exploring the Term and Its Impact

The Controversy Surrounding “Social Justice Warriors”

AN era of increased social awareness and activism, the term “Social Justice Warrior” (SJW) has become a topic of heated debate. Often used pejoratively, this label characterizes individuals passionately advocating for social justice causes. While some view them as champions of positive change, others criticize their methods and impact. In this article, we delve into the complexities surrounding SJWs and the implications of this term.

The Origin of “Social Justice Warrior”

The term SJW originally emerged as a way to describe individuals who fervently support various social justice movements, from gender equality to racial justice, LGBTQ+ rights, and environmental concerns. While these causes are undoubtedly important, critics argue that SJWs sometimes take their activism to extremes, using cancel culture and outrage as their primary tools.

The Criticisms

Critics of SJWs often point to the following concerns:

Cancel Culture: Some SJWs are accused of engaging in “cancel culture,” where they aggressively target and boycott individuals or organizations they disagree with. While cancel culture aims to hold people accountable, its execution can sometimes lead to unfair consequences.

Over-Sensitivity: Detractors argue that SJWs can be overly sensitive and quick to take offense, stifling free speech and open dialogue.

Performative Activism: Critics suggest that some SJWs focus on performative activism, which entails empha-

sizing symbolic gestures rather than addressing substantive issues.

The Impact on Social Movements

The debate over SJWs raises questions about their impact on social justice movements. While their passion can fuel change, their tactics can polarize and deter potential allies. The negative connotations associated with the term may overshadow the genuine commitment to fighting inequality.

The Complexity of Social Justice Advocacy

It's essential to recognize that not all social justice advocates fit the SJW stereotype. Many are dedicated to genuine progress, creating meaningful change by addressing systemic inequalities and injustices. Reducing the diverse landscape of social justice activism to a single derogatory label oversimplifies the important work being done.

A Call for Constructive Dialogue

The controversy surrounding SJWs underscores the need for constructive dialogue and understanding. While vigorous advocacy is vital for addressing societal problems, it should also include respectful discourse and collaboration. Tensions can be eased, and progress can be made when individuals from different perspectives engage in meaningful conversations.

The term “Social Justice Warrior” encapsulates a complex and divisive issue within today's activism landscape. While some critics emphasize the negative aspects of their approach, it's essential to remember that social justice advocates are a diverse group, each contributing uniquely to the fight for a more just and equitable society.

Understanding, empathy, and open dialogue remain crucial as we navigate the path to social change.

Unlocking the Potential of Hypnosis:

Can Self-Hypnosis Help You Overcome Phobias and Anxieties?

HYPNOSIS is an age-old practice that has intrigued, fascinated, and sometimes mystified individuals for generations. It's often portrayed in movies and media as a mystical tool to control minds or make people do the impossible. In reality, hypnosis is a therapeutic technique that involves focused attention, deep relaxation, and heightened suggestibility. It's used to help individuals manage various issues, such as anxiety, stress, phobias, and even pain. This article explores the fascinating world of hypnosis, particularly self-hypnosis, and its potential to help individuals overcome their deepest fears.

The Power of Hypnosis:

Hypnosis can be an incredibly powerful tool when administered by a trained and licensed therapist. These professionals guide individuals into a deep state of relaxation, where the mind becomes more open to suggestion. In this state, therapists can help patients address psychological and emotional concerns effectively. However, what about self-hypnosis?

Self-Hypnosis: The Art of Self-Healing:

Self-hypnosis is a form of hypnosis that puts the control in your hands. It's a process where individuals use relaxation and concentration techniques to enter a state of focused awareness. In this altered state of consciousness, they can suggest positive changes to themselves. Essentially, self-hypnosis is akin to a guided meditation where you become both the meditator and the guide.

Does Self-Hypnosis Work?

The million-dollar question is whether self-hypnosis is effective. The answer, however, is not one-size-fits-all. The effectiveness of self-hypnosis depends on a combination of factors, including the individual's receptiveness and the specific issue they aim to address. Some people are highly responsive to self-hypnosis, experiencing remarkable benefits. Others may not respond as effectively, and the results can be more subtle.

Conditions Treated with Hypnosis:

Hypnosis, whether guided by a professional or self-administered, has been employed to alleviate various conditions. These include anxiety, phobias, smoking cessation, weight loss, pain management, and many others. It's not a magical

cure, but rather a tool that can enhance one's mental and emotional well-being.

Scientific Insights into Hypnosis:

The scientific community has shown an increasing interest in hypnosis. Studies and research have provided evidence supporting its effectiveness for specific issues. While it may not be universally effective, hypnosis is becoming recognized as a valuable complementary therapy. However, the science behind hypnosis is still evolving, and ongoing research continues to shed light on its mechanisms and applications.

Embracing Self-Hypnosis:

If you're eager to explore self-hypnosis, numerous resources are available. Books, audio recordings, and mobile apps offer guidance in the art of self-hypnosis. These often comprise relaxation exercises and positive affirmations. Keep in mind that self-hypnosis is a skill that may take time to develop. Your experience with it depends on your ability to relax, concentrate, and be open to suggestion.

Safety and Caution:

It's essential to approach hypnosis, especially self-hypnosis, with caution. Ensure that the resources you use are reputable and from trusted sources. If you're dealing with a severe medical or psychological condition, always consult a healthcare professional for guidance.

Self-hypnosis is an intriguing journey into the mind's capabilities. It's a path that can lead to better control over anxiety, phobias, and more. While it may not be a magical panacea, self-hypnosis is a tool that allows you to access your inner potential and enhance your mental and emotional well-being. Whether it's through the guidance of a licensed therapist or your own exploration of self-hypnosis, the power of the mind remains an exciting frontier in the quest for personal development and healing.

The Unapologetic “Old Fashioned”

Embracing Tradition in a Modern World

AN ever-evolving, fast-paced world, where trends come and go at the speed of light, there exists a unique breed of individuals. They are often referred to as “old fashioned” or “traditional,” and they stand as unwavering pillars of timeless values in a society that seems to have moved on. They are the torchbearers of age-old customs, unshaken by the winds of change. And the remarkable aspect? They don’t care about the disapproving glances or raised eyebrows.

Why “Old Fashioned” in a Modern World?

It’s not unusual to encounter perplexed expressions or even subtle mockery when you proudly express your old-fashioned beliefs or habits. Some may find it odd that you prefer handwritten letters over emails, vinyl records over digital playlists, or homemade meals over fast-food convenience. But, for the old-fashioned souls, these traditions are not simply nostalgic remnants of the past; they are a way of life. These timeless practices connect them to a sense of purpose, simplicity, and authenticity.

Resilience in the Face of Modern Disapproval

In a society that often values what’s new, flashy, and convenient, the “old fashioned” may seem like relics from another era. But what sets them apart is their unwavering resolve. They live life on their own terms, unswayed by fleeting trends or societal norms. They find comfort and strength in the traditions and values that have withstood the test of time.

It takes a special kind of courage to be “old fashioned” in a world that often discourages it. These individuals remain undeterred, understanding that their choices are not based on stub-

bornness but rather a deep appreciation for the values and practices that have enriched lives for generations.

Preserving Authenticity and Connection

At the core of this “old fashioned” mindset is a commitment to authenticity and genuine human connection. They savor the art of face-to-face conversations, where devices do not mediate human interaction. They prefer sitting around the dining table with loved ones, sharing stories and laughter over a well-cooked meal. In their world, the past isn’t something to escape but rather a wellspring of inspiration for a meaningful present and future.

Championing Sustainability and Simplicity

Old-fashioned individuals often exhibit a profound understanding of sustainability. They are proponents of simplicity, valuing quality over quantity. They repair instead of replace, reducing waste. They embrace slow living, finding joy in the little things,

and take the time to smell the roses in a world that’s always in a hurry.

The Beauty of Unapologetic Authenticity

It’s evident that there’s a unique beauty in the unapologetic authenticity of “old fashioned” individuals. Their resilience and unwavering commitment to their principles are a reminder that it’s okay to be different in a world that encourages conformity. They prove that a life rooted in tradition and timeless values can be deeply fulfilling.

A modern society that often prizes innovation and quick fixes, the “old fashioned” stand as timeless monuments to our shared history. They preserve the heart and soul of traditions that might otherwise be forgotten.

So, to those who proudly carry the banner of “old fashioned” in a world that may not always understand, we salute you. Your authenticity is a beacon of hope and a reminder that, sometimes, the old ways are indeed the best ways.

An Evolution in Artistry

Rediscovering Dino Aranda

Artist Dino Aranda With His Exhibition at the O.A.S., September 1969

DINO Aranda, the Nicaraguan-born American artist, has captivated the art world with a remarkable evolution in his work. Aranda's contemporary landscapes, depicted in a dreamy watercolor haze with soft, vibrant edges, are a stark departure from the desolate, visceral creations of the 1960s and 1970s. His journey reflects an artist's transformation, deeply influenced by personal and political upheaval.

Born in Managua in 1945, Aranda's artistic talents emerged early. He studied at Managua's School of Fine Arts, mentored by Rodrigo Peñalba, a revered figure in Nicaraguan plastic arts. His unique style emerged during this time, emphasizing still-life painting.

Aranda's creative path took an unexpected turn when he co-founded the Praxis Gallery Group. This collective of artists resisted the prevailing trends of abstractionism and social realism in Latin American art.

In 1965, he left Nicaragua to study at the Corcoran School

of Art in Washington, D.C. Despite the physical distance, his art remained a powerful response to the brutality of the Somoza dictatorship, which ruled Nicaragua for decades. His "delicate abstraction" garnered recognition, reflecting the nation's trauma and revolution.

The 1980s and 1990s saw Aranda reconnect with his Mesoamerican heritage, particularly Mayan symbolism, focusing on the feathered serpent god, Quetzalcoatl. In 1999, he embarked on a new artistic chapter in Southern California, transitioning from political themes to soft-focus landscapes inspired by the West.

Dino Aranda's profound transformation encapsulates his artistic journey, reflecting personal and political landscapes.

His work is celebrated in the permanent collections of notable D.C.-area museums, symbolizing a remarkable exploration of creativity, identity, and resilience.
